Request

Mo: 12-CR-248

I am coming before the court to inform them about what is going on at Terminal Island FCI which is the prison I am at. I Shamus Morris am housed in DS Unit which is the RDAP Dorm. There are case of re-infection in the RDAP Dorm inmates names are Robert Krietzman 24503-111, Anthony Magana, Julio Puga 64354-298, and Simmons 09531-068. This is information I would like the court to put in there minds about my Compassionate Release I have filed with the courts. The Warden F Pance has not been informing the courts about the new cases of COVID-19 and has lied about it to the courts in Oregon. They are putting my life in danger and have not in anyway try to make sure the lives of the inmates at Terminal Island safe.

Would the court please add this information to the Argument of granting my compassionate release. The petitioner would like the court to also know that the Unit Team at Oklahoma City FCI not only did not submit my compassionate release but refuse to even file my informal remedy's I have given them. I am now going through the motions at Terminal Island to file for my compassionate release. These new case's of COVID-19 happened on 10-15-2020

Certificate of Credibility

I Shamus Morris do swear to the courts
everything contained in this motion and Request is
true to the best of Mr. Morris's knowledge.
